Hello DJ
25 Queensdale Avenue,
Toronto, ON M4J 1Y1

Dear Lisa,

Thank you very much for helping create an energetic atmosphere for the 2009 Enbridge CN Tower Climb for United Way. We have received numerous compliments on this year's event, many commenting on the great DJ. Your music selection, MC skills and vibrant personality made participants, volunteers and staff, feel welcome and geared up for the event.

The 2009 Enbridge CN Tower Climb for United Way is United Way Toronto's premier event. Close to 12,000 participants conquered the Tower and we hope to raise close to \$2 million. All funds raised for this event, help support United Way Toronto's broad network of health and service agencies.

We hope to have the opportunity to work with you in the future. Without you, there would be no way.

Sincerely,
